S. A. D. #44 BOARD APPROVES LABOR CONSULTANT AT MONDAY MEETING

At the regular meeting on Monday evening of this week the S. A. D. #44 board of directors authorized Superintendent of Schools Kenneth Smith to enter into agreements with Thealan Associates, Inc., to serve as District Labor Relations Consultant. A representative of Thealan Associates will act as the board's spokesman in negotiations with the American Federation of State, County and Municipal Employees (AFSCME), representing the S. A. D. #44 custodians, bus drivers, and hot lunch workers, and with the Telstar Educators Association (TEA). One agreement will cover dealings with AFSCME and the other with TEA.

The public part of the board meeting was preceded by a 90-minute executive session with a representative of Thealan Associates, Inc.

The directors authorized the posting of vacancies for the 1978-79 school year in the following extra curricular positions: Telstar High School yearbook advisor, newspaper advisor, and drama coach; Telstar Middle School, drama coach, newspaper advisor.

The board granted a six month leave of absence to Norman Dock, a district custodian, to expire Oct. 31, 1978. The leave is granted without pay and without prejudice to the board's right to consider requests in the future on a case-by-case basis.

The resignation of Archie Young as S. A. D. #44's representative to the NOVA Cooperative Board was accepted. The directors named Mrs. Sandra Cohen of Andover to fill the remainder of the term which will expire June 30, 1981.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

With the building season now upon us, residents are reminded that a building permit needs to be obtained from the Town Office before major construction or renovations take place. There is no cost for this permit. Residents are also reminded that in certain areas of town, the requirements of the Town's Shoreland Zoning and Flood Plain Zoning must be complied with. Anyone who has a question whether their property is in one of these zones, should contact the Town Office. When applicable, plumbing permits should be obtained from Samuel Timberlake, the Town's Plumbing Inspector.

Prior to the Assessors' meeting Monday evening, June 5th, the Selectmen met with Jeff Davis regarding tree removal on his property on Lover's Lane. Mr. Davis asked permission to close Lover's Lane on Sunday, June 11 (rain date Sunday, June 18) so that trees cut along the road could be felled without endangering passing motorists. The Board approved this request provided appropriate safety measures are taken to ensure that traffic is blocked off.

The Next Selectmen's meeting will be Monday, June 12, at 7 p. m. at the East Bethel Grange Hall.

All residents of the East Bethel area are invited to attend and express any problems or concerns that they may have. The June 26 Selectmen's meeting will be held at the West Bethel Grange Hall.

Next Tuesday, June 13, is Primary Election Day. The polls will be open at the Bethel Fire Station from 10 a. m. to 8 p. m. Voters who will be out of town that day may vote absentee by coming into the Town Office.

The Town received \$1,374 from the State this week as a refund from snowmobile registrations.

IT WAS CIRCUS DAY at the Bethel Bible School Tuesday. Both performances were well attended by proud parents, grandparents, friends, interested citizens and friends from Crescent Park School. The band played, the children paraded and numerous circus acts followed. Participants as well as observers, certainly enjoyed the circus atmosphere. The E. B. S. staff wishes to thank all who contributed in any way to make this such an enjoyable and memorable day for the students at E. B. S. Several people too numerous to mention are due special thanks. "THANK YOU."

BRYANT POND GIRLS' SOFTBALL

The Bryant Pond Girls' Softball team started their 12-game schedule on Wednesday, June 7, at West Paris. This year there are 12 girls on the roster, three of them also being on the junior team. There are seven teams in the league this year. They are West Paris, Greenwood, Rumford, Mexico, Rumford Pt. A, Rumford Pt. B, and Bryant Pond. This year, for the first time, there will be playoffs for the top four teams. They will be held on Saturday, Aug. 5, in Mexico. Last year the girls came in second with a 12 win-two loss record, losing only to Rumford. It is hoped to again be in the top four and be in the play-offs. This year home games will be held at the big ballfield in Bryant Pond and the team is looking forward to seeing a lot of local spectators at the games.

The following is the tentative schedule, subject to change due to rainouts. Game time is 6 p. m.

June 7, at West Paris; June 8, at Greenwood; June 12, at Rumford Pt. A; June 14, Rumford Pt. B; June 19, Rumford; June 21, Mexico; July 10, Rumford Pt. A; July 12, West Paris; July 13, at Rumford; July 19, at Mexico; July 20, at Rumford Pt. B; July 26, Greenwood.

Bryant Pond is also having a junior girls' softball team of 8-12 year olds this year. Mark Thurlow and Alan Seames are coaching them. They will be setting up a schedule of games for these girls also.

Again, please support these girls who will be trying very hard to win.

CARD OF THANKS

Many thanks to our relatives, friends and neighbors for their floral tributes, money and cards also other expressions of sympathy and thanks to the Bethel Ambulance Service, Rev. Caton, and Greenleaf Funeral Home, in the recent loss of our beloved father. Our deep appreciation.

— Mrs. Arline Bernier, Corres. —

The County Commissioners, Norman Ferguson, Jr., and James Archer, conducted a re-hearing on the proposal to close the old Malloway Road. This was done in 1975 and the Commissioners ruled against closing. The case was heard in Superior Court and the Court ruled that a new hearing be held.

An attorney representing the Williamsons, Dana Douglass, a surveyor, and Roland Hastings, were present to argue in favor of closing the road. Ken Norcott of Brown Co. made a few remarks and asked assurance that the hearing was only to decide whether or not the road would be closed. Fred Judkins expressed his views and reasons why it should remain open and Allen Murphy of 7 Islands Land Co. expressed disfavor at remarks by the attorney concerning Brown Co.

Saturday afternoon the school house was occupied by town voters who acted upon several articles at the special town meeting.

Most of those pertaining to school were passed as read except for the rate for board or transportation which was kept at \$5 per day rather than increased to \$8 as recommended. The articles pertaining to a new town truck and bids for plowing snow were turned down. There was much discussion as to condition of the big town truck and difference of opinion.

Dotty Stone and Dorcas Hill spent the week end in the area. They called on relatives in town and visited the gravesite of Dorcas' father, Kendrick Judkins.

Harold Tripp has arrived at his camp for an indefinite stay. The Goulets have been around town several days. They are still trying to find a way to make the grange hall livable.

Judy Bennett and children visited her father over the week end.

Margaret Mitchell held a jewelry class at the Ladies' Aid Building, Monday. Ladies from Upton, Newry and Errol attended. The next one is scheduled for June 19.

BILL COHEN...

A Common-Sense Senator

With inflation being what it is, someone has to apply the brakes to the reckless growth in government. That's why Maine's 1978 Senate race will be one of the most important ever to the future of our State. "Big Government and Big Spending" vs. "Limited Government and Cautious Spending" is what this campaign is all about.

The lines are clearly drawn. The incumbent junior Senator, according to the Ellsworth American, has consistently supported almost every proposed enlargement of governmental authority. But Maine's next Senator, Congressman Bill Cohen, recognizes the limits of government and has exercised a cautious, common-sense approach to spending.

That is why Maine — and the nation — need Bill Cohen as our next Senator.

 tions: Ethel Bisbee School, Cres-
 cent Park School, Telstar Middle

Letters to the Editor

To the Bethel Community:

On July 1, there will be an old-
 fashioned street dance in the
 Warehouse parking lot. It will be
 a benefit for the Bethel Ambu-
 lance Service (B.E.A.S.) and
 Young Life (through the conces-
 sion stand). There will be music
 for every taste, from bluegrass to
 country to rock. Three bands will
 rotate every hour from 3:00 till
 midnight. We invite everyone to
 come down and enjoy the live
 music, to bring their own "sit-
 downs" and freely move in and
 out of the lot during the day by
 way of special ticketing. The price
 for the nine hours is small so
 that people on limited incomes can
 come and enjoy, also, including
 children. Babies under five will
 be admitted free.

We would like to see this be-
 come an annual event as a kick-off
 for the Bethel July Festivities—
 July 4, Mollycoddle Day, Strawber-
 ry Festival, Arts and Crafts Festi-
 val, etc. Your support is very
 important. We've talked with a
 lot of Bethel people who are very
 enthused and we trust this is the
 feeling of the majority.

If you have any feelings about
 it that you'd like to share with
 me, please call.
 See you July 1st.

To the Editor:
 Next Tuesday, Republicans and
 Democrats will have an opportu-
 nity to vote for candidates of their
 choice. This is a right and a privi-
 lege that is not available to the
 people of many other countries and
 is something everyone should make
 every effort to do.

For those Republicans voting, I
 urge them to consider the candi-
 date of Roland L. Sutton for the
 District 5 State Senate seat. He
 is an able, experienced and dy-
 namic small businessman who
 knows how our free enterprise sys-
 tem works and how, through that
 system and not the government,
 jobs can be created. He is in fa-
 vor of fiscally sound government
 that stays out of the taxpayer's
 pocket unless absolutely necessary.
 Remember, no matter how you
 vote, it is important that you
 take the time and make every ef-
 fort to vote.

Sincerely,
 Alvin L. Barth

June 5, 1978

To the Editor,
 On Tuesday, June 13, you will
 have the opportunity to select a
 candidate for governor for the
 general election in November. I
 have worked closely with Linwood
 E. Palmer, R-Nobleboro for the
 past two years while representing
 you in the Maine House.

Linwood has served in the Leg-
 islature for 12 years and during
 that time his strong and determin-
 ed leadership has earned him re-
 spect and admiration from his fel-
 low legislators. During the past
 legislative session, we very like-
 ly would not have seen passed the
 \$20 million tax relief package if it
 were not for Linwood Palmer's
 firm commitment to fiscally res-
 ponsible government. We need a
 Governor with these qualities and
 experience representing us in the
 Maine House.

Please support Linwood Palmer
 for Governor.
 Sincerely,
 Karen L. Brown
 State Representative

RECREATION BOARD MEETS

The Bethel Recreation Board

 at 7:30.

The acquisition of land for rec-
 reational use was discussed. Pete
 Kailey reviewed for the present
 Board members prior efforts made
 toward land acquisition.

 on the Summer Playground Pro-
 gram. The first two week session
 will be starting on June 19. Gail
 will be needing extra assistance

REBELS SOFTBALL SQUAD HAVE GOOD SEASON

A very young Telstar Rebel soft-
 ball team finished their Mountain
 Valley Conference campaign with
 a 7-7 record. The squad was led
 in hitting by freshman Marlene
 Bean with a .387 batting average.
 She was closely followed by soph-
 omores Tene Gauthier, Jackie Mar-
 tin and Suzette Wing; hitting .382,
 .333, and .327 respectively. Junior
 Susan Dugway hit .354, and
 junior outfielder Brenda Mills
 batted .354 and scored 21 runs
 for a .288 average.

The Rebels defense was sparked
 by junior outfielder Brenda Mills
 and Golden Glove-elect sophomore
 Jackie Martin. Suzette Wing played
 a key part as the utility person
 playing four different positions.
 The greatest surprise to the Tel-
 star defense was senior Rhonda
 Cummings whose tremendous ef-
 forts and enthusiasm guided the
 young club.

The Telstar Most Valuable Play-
 er was senior Terri Wight, who
 hit .376 and made some brilliant
 pitching performances.

With three freshmen, three
 sophomores, and two juniors re-
 turning as starters, head softball
 mentor Gerry Durgin feels his
 team will be one to be taken seri-
 ously.

LIONS CLUB ESTABLISHES WM. C. CHAPMAN II SCHOLARSHIP FUND

The Bethel Lions Club is pleased to announce the establishment of the William C. Chapman II Scholarship Fund with monies received from his estate. Bill Chapman was a past president and honorary member of the Lions Club of Bethel. He was born in Portland on April 3, 1907, the son of Jack and Jessie (Sproat) Chapman and brother of Franklin S. Chapman of Bethel. Bill was a graduate of Gould Academy, class of 1924, attended Hebron Academy and graduated from the University of Maine where he was a member of A.T.U. fraternity.

William C. Chapman II

He and his wife, the former Ruth Hastings, had two daughters, Mary Jane Barlow of Burlington, Vt., and Betsy Goss of Bangor.

Bill was well known throughout New England as a breeder of shorthorn cattle. He showed his shorthorns at Maine and New Hampshire fairs for over 40 years and was twice honored by the Fryeburg and Rochester Fair Associations for showing cattle for the most number of years.

Through the years, Bill served his community in many ways. His list of credentials is impressive: Past Master, Masonic Lodge #97 (Marshall 22 years); past president, Chamber of Commerce; member of Bethel Fire Department as driver for 20 years; 4-H Club leader; member and trustee of Congregational Church; member of Crescent Park School Building Committee; incorporator of Bethel Savings Bank; Farm Bureau member for 40 years; member PHA for nine years; first president of Maine Shorthorn Association and president of Maine Livestock Association.

Bill Chapman died Oct. 26, 1974 at the age of 67 years, but his vitality is not forgotten. His concern for people will be kept alive by the William C. Chapman II Scholarship fund.

JACKIE GAMMON WINS AWARD AT INDIANA STATE U.

Jackie Gammon, 1976 graduate of Telstar Regional High School has currently finished her second Collegiate year at Indiana State University. She competes on the varsity field hockey and softball teams, and plays intramural basketball and volleyball.

Gammon's success has primarily come in softball. This year she was the starting catcher on the team, which competes in Division I of the collegiate athletic program. After assuming her role, she led the team defensively and offensively. Four times throughout the season the coach picked a mean defensive and a mean offensive player for their success. Jackie received mean defensive once and mean offensive twice. She also was the only player to receive both awards at the same time. She led the team in batting average (well over .400), home runs (2), and RBIs. Her opponents feared her both as offensive and a defensive player, and they comment "she is a total player and knows how to use her talents."

Awards did not stop there for Jackie. At the annual sports banquet athletes are very lucky to receive one award. Jackie received two—Athlete of the Year in Softball and Most Improved Player. As fellow teammate Laura Daugherty says "Jackie is a total player and is very deserving of the awards she received and more." Laura was the ace pitcher on the team and received the award for "mental attitude." She also received mean defensive player once.

Both players will play for the nationally ranked M.K. Peppers next summer in Indianapolis, where Jackie played last year. Laura and Jackie both are very talented players and as coach Luann Larsson comments "Both of these girls are girls to be proud of, and are a credit to the team on and off the field. They worked very hard all year, and I expect big things from them." Not bad for two small town girls, one from Mascoutah, Ill., and one from Andover, Maine.

HONORED FOR 20 YEARS IN HOT LUNCH PROGRAM

On Sunday, June 4, friends and relatives gathered together at the Telstar Cafeteria to honor Hilda Brown to thank her for her 20 years of service to S. A. D. #44 and the hot lunch program.

Hilda was greeted at the door by the kitchen manager, Mrs. Barbara Young, who presented her with a pastel floral corsage.

The cafeteria was decorated in yellow, green and orange. The two tier cake was made by Mrs. Madeline Sanborn of Fryeburg. It was decorated in green and white and had a velvet crown decorating the top tier to acknowledge Hilda's English background.

A banner decorated one wall with the message "Hilda, thank you for 20 years". Tim Kavanagh, Telstar art teacher, designed the banner.

Refreshments were made by the cafeteria workers throughout the district.

As a "special thank you," Hilda was presented 20 long stemmed red roses from the women who worked for her.

Mrs. Ruth Cummings was in charge of the guest book and Mrs. Juanita Haines manned the money bowl and cards.

Mrs. Ann Roy and Mrs. Connie Brown helped with the food table and punch bowls. Mrs. Peggy Tripp was in charge of recording the events on film and Hilda will be given the photographs to remember her day.

A good time was had by all. A special gift of matching engraved luggage will be presented to Hilda so she can use it on her trip to England this summer.

The S. A. D. #44 hot lunch staff congratulates Hilda for 20 years and hopes to see her for 20 more.

The course, entitled "Bought An Old House? Here's How to Rehabilitate It," will be taught by Mrs. Sylvia Hallowell. The course conducted Monday evening from June 19 to August 1, in Lewiston. In Lewiston, the course will be offered Wednesday at 7 p. m. at the Lewiston Center starting June 14, ending August 9.

Mrs. Hudson is a Parsons School of Design graduate, and has the Brooklyn Museum Pratt Institute, the Modern Art, and Br

lege.

She has had extensive experience in the preservation of old buildings, first with the development of the Maine Historic Preservation Commission since 1967, with building

Maine.

While the course will provide immediate interest for those who have recently purchased a building, Mrs. Hudson provides information useful to anyone considering the purchase of an old house.

Unlike some areas of the state, Mrs. Hudson says, still more old houses in Maine than there are people, especially young people, are turning to older houses because they can be more economical than a new house.

Mrs. Hudson previously offered a course on decorative painting which was offered in Lewiston last year.

The course being offered this summer will provide a review of typical old Maine architecture on a step-by-step basis. The classes will focus on the characteristics of old houses, chimneys, foundations, roof lines and architecture.

There will then be a tour of the original character of living and family rooms, and pantries, bath, plumbing, and bedrooms.

Part of the course will be devoted to materials available for rehabilitating an old house, and how to choose an old home to live in, needs, lifestyles, and philosophy of the new owners.

The course is offered on a credit basis as a community service and Mrs. Hudson will be a large amount of time in classroom sessions to handle the specific needs and needs of the people in the course.

UMA OFFERS OLD HOUSE REHABILITATION COURSES

An eight-week course on rehabilitating and preserving typical old houses in the Central Maine area will be offered this summer in both Lewiston and Augusta, according to Tom Abbott of the Division of Adult Education and Community Services of the University of Maine at Augusta. The course, entitled "So You Bought An Old House," will be taught by Mrs. Sylvia Hudson of Hallowell. The course will be conducted Monday evenings at 7 o'clock from June 19 to August 7 in Augusta. In Lewiston, it will be offered Wednesday evenings at 7 p. m. at the Lewiston/Auburn Center starting June 21 and concluding August 9.

Mrs. Hudson is a graduate of Parsons School of Design, New York City, and has studied at the Brooklyn Museum Art School, Pratt Institute, the Museum of Modern Art, and Brooklyn College. She has had extensive experience in the preservation and rehabilitation of older houses and buildings, first with the Boston Redevelopment Authority, and since 1967, with buildings here in Maine.

While the course will have an immediate interest for those who have recently purchased an older building, Mrs. Hudson says it will provide information which will be useful to anyone considering a purchase of an old house in the future.

Unlike some areas of the country, Mrs. Hudson says, "there are still more old houses here in Maine than there are newly constructed ones. A large number of people, especially young families, are turning to older houses because they can be more economical housing than starting from scratch."

Mrs. Hudson previously taught a course on decorating homes which was offered in Augusta and Lewiston last year.

The course being offered this summer will provide an historical review of typical old Maine houses on a step-by-step basis. The initial classes will focus on the physical characteristics of old houses such as chimneys, foundations, moulding and hardware, floor plans, roof lines and architectural styles.

There will then be a review of the original characteristics of living and family rooms, kitchens and pantry areas, bathrooms and plumbing, and bedrooms. The latter part of the course will be devoted to materials available for rehabilitating an old house and discussions of how to best adapt an old home to the particular needs, lifestyles, and philosophical goals of the new owners.

The course is offered on a non-credit basis as a community service and Mrs. Hudson says there will be a large amount of flexibility in classroom sessions in order to handle the specific questions and needs of the people who enroll in the course.

Mrs. Lona Gilbert, Corres.
The weather in this area has been quite changeable the past week. This Monday morning temperature 50°. We have had some very cool weather and some very hot days the last of May with temperatures readings of 90° in shade, also a few thunder showers. We did need the rain.

All of the people who have been ill or injured in accidents that have been reported to me are improving. Paul Head is reported gaining now at Rumford Community Hospital. Larry Bennett who cut his leg with a chain saw while working in the woods, reports it is healing satisfactorily.

Scott Gilbert who tipped over near Lake Thompson with his brother Brent's motorcycle, receiving a badly bruised and skinned arm and shoulder is reported to be healing, but unable to work for a week or more. He is employed by Sunday River Tree Service, Inc.

Mr. and Mrs. Stephen Parsons and children, Sandra, Tracy and Missy, the new residents in town, who purchased the Robert Gilbert place, are getting settled in their new home, moving in on June 2. Mr. Parsons is the District Forest Ranger in this area. They came here from Michigan but formerly lived in Minnesota. There was an error in the name of the new residents in last week's paper.

Mrs. Frances Bennett returned home on Thursday of last week. She spent a few days with her sister, Mrs. Evelyn Aremburg in Haverhill, N. H., after returning from Florida. Mrs. Bennett and Mrs. Aremburg have recovered very well from the accident in which they were involved while riding with a friend in Florida.

Mr. and Mrs. Herman Morse of Norway were visitors at Mrs. Clara Rolfe's Sunday.

Mrs. Mary Butler and family of Union visited her mother, Mrs. Paul Head, the last of the week and her father at Rumford Hospital.

Mr. and Mrs. Sherman Piper and three children of Dixfield were supper guests of Mr. and Mrs. Wendall Roberts Saturday.

Mr. and Mrs. Cuvier Hutchinson of Farmington visited the Roberts last week. Mr. and Mrs. Hutchinson were camping at Twitchell Pond. Mr. and Mrs. Roberts visited them also at the camp.

Mr. and Mrs. Shirley Gilbert were at their camp on Round Pond on the week end. They reported mosquitoes plentiful. I guess they are everywhere this year.

Mr. and Mrs. Arthur Gilbert were in Portland recently and visited Mr. and Mrs. Robert Parker. Andrea Gilbert, daughter of Mr. and Mrs. Robert Gilbert is staying with her grandparents, Mr.

Sunday River

Mrs. R. M. Fleet, Corres.
Another of our senior citizens has been taken with the death of John A. Nowlin, Friday. Mr. and Mrs. Floyd Verrill were here from Concord, Mass. They have also returned home.

Clayton Blake went to the C. M. M. C. Lewiston, for more treatment on his leg. He returned Sunday, June 4, able to walk some but cautioned to go careful for a couple of weeks.

Darnita Yates was home from Barre, Vt., over the week end.

South Woodstock

Olive Davis, Corres.
Mr. and Mrs. Clyde Hines were Sunday visitors of Mr. and Mrs. Guyson Davis. The two couples and their mother, Mrs. Mary Brown had a picnic dinner at Snow's Falls.

Mr. and Mrs. Mansfield Packard, Waterville, were callers at Mr. and Mrs. Guyson Davis' Sunday evening.

Maurice Morgan is having a new garage built.

Mrs. Mary Billings and son, Larry, took supper Tuesday evening with Olive Davis.

Callers here this week were Mr. and Mrs. Leslie Bryant, Joe Davis, and four year old son, David Belskis, Mr. and Mrs. Harris Hathaway.

I have tried to find news this morning but those I've talked with are busy with their work and are not having time for recreation. More next week.

Mr. and Mrs. Harold Carver, until school finishes, as they didn't want to have her change schools for such a short time. She will go to South Paris to school this fall.

Mrs. Shirley Gilbert visited her daughter, Lee, and husband, the James Kennies III, in Westbrook one day last week.

Mr. and Mrs. Ernest Grant and son, Michael, of Yarmouth, were week end visitors at Mr. and Mrs. Gordon Mason's. They came Saturday returning home Sunday.

Mr. and Mrs. Alanson Cummings and Mr. and Mrs. C. R. Lovejoy took Mrs. Tyrene Lovejoy and babies and attended American Legion and Auxiliary meetings in Locke Mills Thursday night.

On Friday Mrs. Cleveland Lovejoy and Miss Ellen Lovejoy were in Harrison to Dr. Martin.

Mr. and Mrs. Ray West and family of Rumford were in town Sunday P. M. calling on their parents, the Cleveland Lovejoys, and grandparents, the Cummings.

Master Shane Lovejoy, son of Mr. and Mrs. Alanson Lovejoy, was taken to the Norway hospital Sunday evening with very high temperature. He was released on Monday with no verdict on his illness. His mother stayed with him Sunday night at the hospital.

the outward appearance, but the Lord looketh on the heart." "If, God cannot be fooled nor kidded—His business is a serious one. He may hate what we do, but be sure He loves us—ever willing, ever able to save us should we call on Him. We may live seemingly Godly lives—doing good, turning no one, even going to Church every Sunday—singing hymns and praying—but He may hate every moment of it because He knows our inner most thoughts. Jesus, our Lord—warns us in Luke 16:15 "and He said unto them. Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God."

Remember the slogan: "You can fool some of the people some of the time, and some of the people all of the time, but you can't fool all of the people all of the time."

Well, we cannot fool God. He repeatedly tells us as in Chron. 28:9—"and thou, Samuel my son, know thou the God of thy father, and serve Him with a perfect heart and with a willing mind: for the Lord searcheth all hearts and understandeth all the imaginations of the thoughts: if thou seek Him, He will be found of thee; but if thou forsake Him, He will cast thee off forever."

Therefore, dear ones—does it not say some 1400 times in the Bible "Come all ye, whosever will, and I will give thee rest—come ask of Me and I shall be thine." The invitation is there for all of us to ask God to be our Lord.

"For where your treasure is, there will your heart be also." Isaiah 55:12.

June the month of summer, brides and graduation. It is also the month that school is out and before the month is over almost everyone who has a camp to move into for the summer—moves in. Baseball is out in all its glory. It seems so funny when we moved here the boys and girls congregated to play ball down by Homer Smith's and Charles Mason Jr.'s. These are now married or working. Now they have their field in front of Stanley Brown's and none of the old gang come. How fast time flies and today is yesterday!

Mr. and Mrs. Lester Butters went Wednesday to Kezar Lake, Lovell, camping and came back Sunday. It rained at least some every day they were camping. Soon after they got home, Mr. and Mrs. Richard Tappin, Manchester, N. H., called.

Andy Smith was sick with strep throat most of last week and his mother, Edith Smith was also sick last week.

Robert Stearns went down to Stephens Memorial Hospital to pick up his aunt, Mrs. Vivian Barlow, Andover, after her discharge. She is now at her home; but will have to take it easier.

The Charles Mason's III got a baby goat for their daughter, Jennifer and the Labans had their last lamb for this season, born that day.

Going out this year for Little League Farm Team are Matthew and Christopher Laban, sons of Mr. and Mrs. John Laban; Vince Chapman, son of Mr. and Mrs. Howard Chapman and Andy Smith, son of Mr. and Mrs. Homer Smith Jr.

Jody Shimamura has been going down to run lights for Sue Farrah's "Mary Poppins" recital. This is at Oxford Hills High School and Friday afternoon Sylvia Benson went down to see her two grand-

daughters, Anita and Chantel Kimball, who performed in the recital.

Sunday evening Mr. and Mrs. Frank Benson went to West Peru to see his sister, Gladys Easter. Howard Chapman and Roger Wheeler went for a week fishing trip to Rapid River, Errol, N. H. Their wives went up Friday night until Saturday on Memorial week end.

Ms. Lee Einzig went to see her parents in Arlington, Mass., over the week end.

Sunday Mrs. Elaine Hutchins and Shilo and Elaine's mother, Mrs. Marjorie Conner went to the horse show at Norway. Mrs. Conner's granddaughter, Jennifer Buck and daughter of Esther Buck, New Gloucester, was one of the riders.

Timmy Angevine, son of Mr. and Mrs. Dick Angevine, went to McDonald's with others to celebrate Debbie Barker's sixth birthday, June 1. Debbie is the daughter of Mr. and Mrs. Bradley Barker.

Sue Angevine will be helping at Bethel Bible School June 6. They are putting on a circus program comprised of the students.

Dick Angevine and oldest son, Ricky, took the youngest, Timmy and Kristy, fishing at Wild River Sunday. No fish but guess they hooked onto everything in sight, trees, rocks, and once each other.

Ricky Angevine went to the Rumford movies Saturday with Nathan and Doug Greenleaf and Richard Lamontagne. Sunday night the four went to Oxford Plains Speedway.

We got a call Sunday from our son, Jim. He and another friend had started out Memorial Day week end to visit a friend of theirs in Minnesota. They also visited the computer programmer building as Jim is studying to go into this field.

Frank and I went to the Moses Mason House Thursday evening. Their topic for the evening was

New Tax on Snowmobiles?

"If elected I will oppose the proposed excise tax on snowmobiles."

INDEPENDENT OF ANY SPECIAL GROUP!

"I STAND FOR ALL THE PEOPLE!"

THE MAN WITH NEW IDEAS!

THE MAN WHO TAKES A STAND!

1. Make Government less wasteful and reduce taxes.
2. Reform our Judicial system so the common man will have a better chance in court. I would make it so a man may not lose his case because he did not actually receive a notice of the trial, or because he denied the main argument but failed to answer some little questions.
3. A better system for more security for the elderly, handicapped and disabled.
4. Give people more freedom from useless Government Bureaucracy and encourage private initiative and Free Enterprise.
5. Reduce or abolish — Property Taxes, Income Taxes, Sales Taxes, Payroll Taxes . . . and substitute a tax on the removal and use of the Nation's Natural Resources.

Let those who use our National Heritage pay the cost of government. This would help conservation, saving billions paid to tax assessors and collectors and make tax evasion more difficult.

6. Use computer voting so that if a man does not function properly in office, the people can remove him immediately without waiting years for the end of his term.
7. Make our state tax laws more fair and more nearly equal for all people. End discrimination in sales taxes.
8. Make the Bureaucrats give the Government Back to the People and Reduce Taxes!

Buying A Lot
Buying land involves risks. Contrary to popular belief, land is not a fail-safe investment. The Florida land boom of the mid-20's was not the only time people lost money speculating in land. It happens every day. Here are some guidelines which may help in reducing the risk factor.

Generally speaking, the more you pay for a lot, the surer you are of getting your money's worth. If you pay x-amount of dollars for a developed lot with utility lines already in, you may be better off than buying the same lot for one-half the amount before the roads and utilities are built out to it. Development costs vary, but almost anywhere they are rising every year.

If you are not a land expert, the most preferred method of buying a lot is to have a REALTOR do your negotiating. His most valuable asset is his knowledge of property values. You are far better off with him on your side.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **EARLY REAL ESTATE**, 60 Main St., Bethel. Phone: 824-2122, 824-2379. We're here to help!

CARD OF THANKS

After four very long years I am now a college graduate, and while that in itself is not such a rare distinction anymore, it was kind of a neat experience. People seldom accomplish anything without some kind of help and support along the way, and I am no exception. Therefore, my thanks to Exedrin, Pepto-Bismol, and the Anheuser-Busch Co. (not necessarily in order of importance.) To my friends at school, to the Rat Pack and the Bombers, it was the Finest kind, and many thanks to each of you. But most of all I'd like to thank my Mom and Dad. They are pretty special people and they helped me more than they can possibly ever know.
